**TRUSTEE'S NOTICE AND MOTION FOR BAR DATE FOR CREDITORS
OR POTENTIAL CREDITORS NOT PREVIOUSLY PROVIDED NOTICE
TO FILE CLAIMS INCLUDING CLAIMS BASED UPON THE DEBTOR'S
PRE-BANKRUPTCY VIOLATIONS OF THE FEDERAL WARN ACT
AND FOR ORDER APPROVING NOTICE ATTACHED AS EXHIBIT D
AND NOTICE OF OPPORTUNITY FOR HEARING**

Comes now the Trustee and states:

1) The Trustee has filed an amended **Schedule E** for the sole purpose of identifying **85** employees that, according to the debtor's records, are owed monies. Attached as **Exhibit A** is a list of the employees being added that were not originally scheduled. These creditors have not been provided **Notice** to file claims on or before the existing deadline of **July 6, 2010**.

2) Attached as **Exhibit B** is a list of non-driver employees who, according to the debtor's records, are not owed monies for wages earned but not paid prior to bankruptcy but who **may** have claims for violations of the **WARN Act** given the date(s) of their terminations.

3) Attached as **Exhibit C** is a list of former drivers who, according to the debtor's records, may have worked for the debtor in the months prior to bankruptcy. The debtor's payroll

records do not reflect that any monies are owed to these drivers. As a result, none of these drivers were listed in the original schedules. However, drivers at Arrow were paid based upon specific trips and loads delivered. In order to be paid, drivers were required to deliver to the debtor various documents to establish that the loads had been delivered and that the drivers were thus entitled to payment. The drivers listed in **Exhibit C** may have delivered loads prior to bankruptcy but were unable to provide supporting documents given the cessation of business. Secondly, the drivers listed in **Exhibit C** may have **WARN Act** claims notwithstanding the fact they are owed no monies for wages earned but not paid. The drivers identified in **Exhibit C** have never been provided Notice to file claims in these proceedings.

4) Attached as **Exhibit D** is a proposed Notice to be provided by the Trustee to all parties identified in **Exhibits A-C**.

5) The Trustee intends to seek an order of the Court establishing a bar date for all parties listed in **Exhibits A-C** to file claims for either earned but unpaid wages and/or claims based **WARN Act** damages. The Trustee further intends to seek an order of the Court authorizing the mailing of the Notice a copy of which is attached as **Exhibit D**.

6) **NOTICE OF OPPORTUNITY FOR HEARING - Your rights may be affected. You should read this document carefully and consult your attorney about your rights and the effect of this document. If you do not want the Court to grant the requested relief, or you wish to have your views considered, you must file a written response or objection to the requested relief with the Clerk of the United States Bankruptcy Court for the Northern District of Oklahoma, 224 South Boulder, Tulsa, Oklahoma 74103 no later than 24 days from the date of filing of this request for relief. You should also serve a file-stamped copy of your response or objection to the undersigned movant/movant's attorney**

[and others who are required to be served] and file a certificate of service with the Court. If no response or objection is timely filed, the Court may grant the requested relief without a hearing or further notice. The 24 day period includes the three (3) days allowed for mailing provided for in Fed. R. Bankr. P. 9006(f).

Respectfully submitted,
